

70A.41 Public employee health insurance.

A public employer shall offer health insurance to all permanent, full-time public employees employed by the public employer. A public employer may offer health insurance to any other public employees employed by the public employer. All costs of such health insurance shall be determined as otherwise provided by law. For purposes of [this section](#), “*public employer*” and “*public employee*” mean the same as defined in [section 20.3](#).

[2017 Acts, ch 2, §65, 67](#)
